And all who do, watch me.
Watch my heart fall out, not; but wearing me, being me, speaking me; leading all, not; but many who surrender to the surrendership of priesthood, priesthood of surrendership. I love you me. I love you all. I love you now and forever, always.

3. Watch my leadership arise. Watch my leaders arise who know me, know my voice intimately, have known me, watched me; loathed me not at all but into me seen, coming into me for my jewelship which when found, find on/in them, and laying all at my feet, realize their feet and all under it/their's is. I love you.

4. Psalm 110 anyone? And who can see the obvious and enjoy it/me, it in me, me in it, it being us and who is else but us, no it? I love you.

5. Wordgames wordship not; my whoredom, not; my wordship of only me that I flow as I desire; and who will worship words not but me? leading me to words that I lead to, to know see and do my will, not just only; but being me doing me speaking me and what else is there to do see be? Oh join my ranks, not; my elitehood of only me/my father. We know/have all. There is/being no other. What my heart/leadership arise in my leadership'd heart,s. I love you all.

6. Give me more of me you say, not; releasing all thought to have/become/speak only mine. Watch me/you.
